## WEBSITES AND SOCIAL LINKS

---

LinkedIn: <https://www.linkedin.com/in/waleed-is-hag-babb01206>

## SUMMARY

---

**Senior Laravel Backend Developer** with **5+ years of experience** building scalable backend systems, RESTful APIs, ERP solutions, and admin dashboards. Specialized in developing **real-time application features** using **WebSockets, Laravel WebSockets, Pusher, event broadcasting, queues, notifications, live status updates, and in-app support chat**. Experienced in **payment integrations, tracking systems, third-party APIs, database optimization, secure authentication, authorization, and production-ready backend architecture**. Skilled in **Laravel, PHP, MySQL, JavaScript, Git, Jira, RESTful APIs, WebSockets, Pusher, Laravel Queues, Event Broadcasting, and DevOps workflows**, with a strong ability to turn business requirements into reliable, scalable, and high-performance technical solutions.

## EXPERIENCE

---

Oct 2024

### Full Stack Developer

Emdadat Alatta, Riyadh, Saudi Arabia

- Developed scalable **Laravel APIs** and backend services for ERP systems and production mobile applications.
- Built admin dashboards for managing bookings, payments, users, services, reports, and operational workflows.
- Supported key applications including **Golden Ultra, Ehtimam, and Batal** across backend, dashboard, and API layers.
- Integrated payment gateways, order tracking systems, WebSockets, real-time notifications, and in-app support chat.
- Optimized database queries, reports, file handling, and dashboard performance to improve speed, reliability, and storage efficiency.
- Enhanced inventory, finance, reporting, and service management modules while applying secure backend development practices.

Mar 2024 - Sep 2024

### Back End Developer

Mask Information Technology Company, Jeddah, Saudi Arabia

Built and maintained Laravel-based RESTful APIs for business applications. Worked in a hybrid work model, collaborating with frontend and operations teams. Implemented reusable backend components and database optimization practices.
